## About the National Association for Music Education

~~NAfME~~ is a collaborative community that supports music educators and advocates for equitable access to music education. The only association that addresses all aspects of music education, NAfME, together with its affiliated state music education associations, advocates at the national, state, and local levels and provides resources and opportunities for teachers, students, parents, and administrators. Founded in 1907 and representing more than 57,000 members teaching millions of students, NAfME advances the music education profession and promotes lifelong experiences in music.
